

A circular diagram illustrating the dimensions for a 1.75 inch button. It features two concentric circles: an outer yellow circle representing the bleed area and an inner red circle representing the safe area. The text 'BLEED 2.125 INCHES' is written along the top arc of the yellow circle. The text '1.75 INCH BUTTON' is centered in the space between the two circles. Below it, 'SAFE AREA' is written in red, and '1.675 INCHES' is written in red below that.
