

A circular diagram illustrating the dimensions for a 1-inch button. It features two concentric circles: an outer yellow circle representing the total diameter and an inner red circle representing the safe area. The text 'BLEED 1.313 INCHES' is written along the top arc of the yellow circle. The text '1 INCH BUTTON' is centered between the two circles, and 'SAFE AREA 0.875 INCHES' is centered within the red circle.

BLEED 1.313 INCHES

1 INCH BUTTON

SAFE AREA
0.875 INCHES
