

A circular diagram illustrating the dimensions for a 2.25 inch button. It features two concentric circles: an outer yellow circle representing the bleed area and an inner red circle representing the safe area. The text 'BLEED 2.70 INCHES' is written along the top arc of the yellow circle. The text '2.25 INCH BUTTON' is centered in the space between the two circles. Below it, the text 'SAFE AREA 2.125 INCHES' is centered in red.
